Tehama County Transportation Commission

## **WEEKLY UPDATE**

**January 13, 2011**

***The project is officially finished with the installation of the decorative lighting and pedestrian flashing beacons complete.***

*The purpose of this project was to increase safety of pedestrians and slow down calm traffic in Los Molinos and also create a safe and attractive environment that will foster a sense of community.*

*Phase I work included lighting, curb, gutter and side walk, signal at Aramayo Way and SR 99 and an asphalt concrete overlay thru portions of Los Molinos.*
